## ABOUT 205 W WACKER

Originally built in 1929, 205 W Wacker is a 265,000 SF 23-story Art Deco building located in the West Loop. The property overlooks the Chicago River and features exquisite views of Chicago's famous Merchandize Mart and skyline North of the River. Current ownership has also developed the Wells Street Market – an upscale modern Food Hall consisting of 10 delicious vendors, located on the 1st floor of the building.

About the neighborhood: WEST LOOP

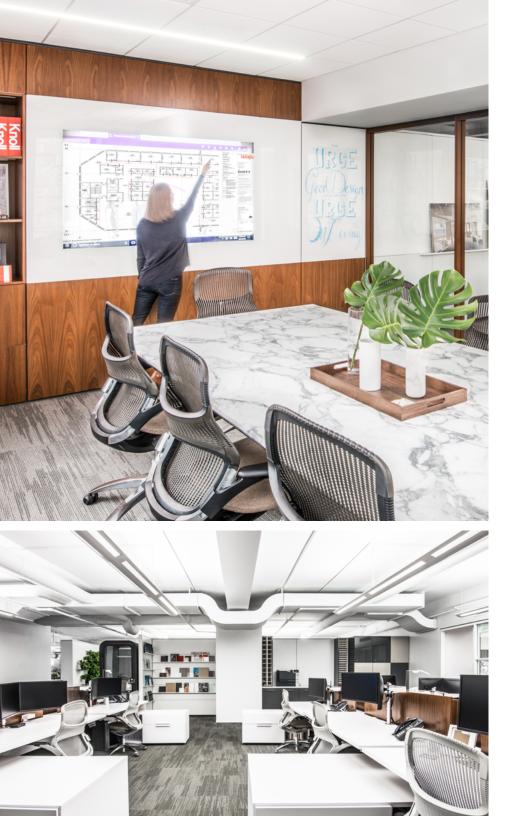

The West Loop offers tenants unique access to a diverse assortment of dining, entertainment and leisure activities along Wacker Drive. The Wacker Drive corridor serves as the corporate address of Chicago's and America's largest and most successful companies. Tenants are attracted to the neighborhood due to the abundance of light and air offered by the geographic restraints of the Chicago River.
